### Grand Foundation Gives ~ 2014!

*The Grand Foundation raises funds throughout the year to support the non-profit organizations in Grand County. This year the foundation hit yet another milestone surpassing \$6 Million in funding.*

### Gerald F. Groswold Day ~ November 15th, 2014

On November 15th, 2014 Gerald F. Groswold was given a very distinct honor, an honor that most could only dream of receiving: a proclamation from the State of Colorado naming November 15th **Gerald F. Groswold Day**.

Jerry, as most know him is the founder of the Grand Foundation and champion for the will of others. He has dedicated his life to helping those in need, and in recognition for his years of service to the community, the Governor of the state of Colorado proclaimed November 15th as his!

Jerry was given the award during the 12th Annual Winemaker's Dinner.

The dinner is hosted each year by Bob and Suzanne Fanch. This year it highlighted their newest venture, Volario's Restaurant in downtown Winter Park.

The sold out event supports the Grand Foundation and this year it provided the setting to honor Jerry.

In addition, Board Chair Ben Watson, awarded him with the Lifetime Legacy Award. This award is given to individuals who have dedicated their lives to helping others. Jerry was also given a book, "Winter Park Resort - 75 Years of Imagining More" commemorating his time as a past CEO and President of Winter Park Resort.

Megan Ledin and Sheri Lock awarded Jerry with a grant in his name to support the Middle Park and West Grand High School Students. Groswold Challenge Day will ensure funding for this project for years to come.

Jerry accepted these honors with a humble heart. He quoted his fathers motto, **"In the sport of skiing you put up more than you take".**

A motto he has lived his life by.

We are so grateful of the support Jerry has given to the Grand County Community, Thank You Jerry!
