GRAND PASS PROGRAM
November 2016 – October 2017

Give Where You Live, Work and Play

20 Years - Our Community at Work

What would you do if you had \$7 million?

Give it away?

That is exactly what the Grand Foundation has done over the last 20 years. In that time frame, hundreds of charitable agencies have benefited from Grand County's community foundation. Celebrating this tremendous milestone we look back to 1996. The Foundation's first round of grants was \$35,100 awarded to only 12 organizations.

When you take into account what we have been able to accomplish, you have to give credit to the collaborative efforts of our local businesses, residents and visitors.

Our community is as diverse as the agencies that we support. Those who support the Grand Foundation support so much more.

Together we are building a legacy.

Give Where you Live, Work and Play!

Enjoy your new year-round Passport to Grand County fun!

The cornerstone of the Grand Foundation's fundraising efforts is the Grand Pass Program, anchored by these generous partners:
