Annual Report

“Improving the Quality of Life in *Grand County*”

The Grand Foundation

Established in 1996 as the Columbine Community Foundation, the organization changed its name to the Grand Foundation in 2001. This change highlights the fact that we are truly a Community Foundation, serving all of Grand County, from Kremmling to Grand Lake

to Winter Park. The Grand Foundation has granted over \$19.3 million to more than 2,300 qualified Grand County organizations, individuals, and small businesses that provide essential services and programs, touching thousands of lives in Grand County.

Mission

The Grand Foundation is a philanthropic organization serving all of Grand County, Colorado. The Foundation seeks to improve the quality of life in Grand County by proactively addressing current and future needs in the areas of Health & Human Services, Arts & Culture, Education, Amateur Sports and Environment.

A Note of Reflection from the Director

2020 was a life changing year not only for the Grand Foundation, the Grand County community, but the entire world. 2020 brought us so many challenges, obstacles and successes. The foundation took on COVID-19, the East Troublesome and Williams Fork Fires, all while helping two new counties, Jackson and Clear Creek. We managed all of the CARES dollars for Grand, Clear Creek and Jackson Counties. The annual grants program reached over \$2.4 Million in 2020 and supported nearly 2,300 non-profit organizations, individuals and small businesses. In 2020, the Grand Foundation reached a bittersweet milestone by surpassing \$19 Million mark.

For over 24 years the Grand Foundation has focused on supporting the Grand County Community. Even with this mission nothing could have prepared us for what happened on October 21, 2020 with the East

Troublesome Fire. Within hours, the fire destroyed over 20% of our community's landscape. The outpouring of generosity from around the community, state and the nation filled our shattered hearts with hope and love.

We were and continue to be amazed by the human spirit to give, to care and to support one another. It is how we know we will get through, rebuild and survive this tragedy.

We will be stronger, braver and kinder as a result of it.

Thank you to everyone who has played a role in supporting our community. We are forever grateful.

Megan Ledin

Grand Foundation Executive Director

Hunger Relief, Housing Assistance & More Mountain Family Center

The Grand Foundation has been a proud supporter of Mountain Family Center (MFC) for over 25 years. Mountain Family Center is a community-based nonprofit organization dedicated to building strength and developing self-reliance through responsive and collaborative services. Mountain Family Center's food, housing, financial assistance, and general resource services were essential to the Grand County community in 2020 through the pandemic and wildfire. The Grand Foundation provided funding that allows Mountain Family Center to maintain their children, family, and senior services to fit the increasing need of the community and provide training to their staff regarding supporting families. In addition, the Mountain Family Center and the Grand Foundation's partnership was instrumental in providing emergency relief during 2020.

Healthier Together Grand County Rural Health Network

The Grand Foundation has been supporting the Grand County Rural Health Network (GCRHN) in its mission to advocate for and support the health of our community for over 20 years. The GCRHN aims to provide affordable, comprehensive health and human services to everyone in the community while improving and sustaining services to underserved populations through an equitable lens. With the support of the Grand Foundation, the Rural Health Network has been able to institute and effectively run the Patient Navigator (PN) Program. This program supports, educates, and empowers clients to become more self-sufficient in managing their health and the aspects of their lives that impact their health. In addition, the Grand Foundation has funded their Aches and Pains and Mental Health Voucher program, which provides vouchers to those who are in need of medical care and mental health services.

Preventing Forest Fires Grand County Wildfire Council

The Grand County Wildfire Council has evolved into a successful 501(c)(3) organization with many beneficial programs created and executed with the intent of helping Grand County residents and visitors live more safely with the threat of wildfires. The Grand Foundation funded GCWC with seed money to create an identity, design an educational website, and purchase a tent/booth for community events. The Grand Foundation has supported GCWC since 2013, helping the organization engage the public during wildfire season with significant educational information and hazardous fuel mitigation efforts.

Founding Partners

In 1996, The Grand Foundation started with the sale of transferable ski and golf passes. These passes were possible because of generous donations from our four Founding Partners, Winter Park Resort, Ski Granby Ranch, YMCA of the Rockies/Snow Mountain Ranch and the Fraser Valley Metropolitan Recreation District. The vision and dedication of these sponsors continues to make an invaluable impact in our community!
