A Note of Reflection from the Director

In 2024, The Grand Foundation continued its commitment to strengthening our community, awarding over \$2.3 million in grants across Grand County. We were able to support a wide range of programs and initiatives that meet both immediate and long-term community needs. Throughout the Foundation's 28 years of funding, we have impacted more than 19,000 lives, supporting vital work in Health and Human Services, Environment, Education, Arts and Culture, and Sports and Recreation. While these five areas are our core focus, we continue to stay flexible and responsive to the evolving needs of Grand County—stepping up to support critical issues such as disaster assistance, childcare, housing, and mental health.

Our cumulative giving has now surpassed \$33 million, a testament to the lasting generosity of our donors and partners. We are deeply grateful to the individuals, businesses, and volunteers who make this impact possible. Your support continues to fuel meaningful change and strengthens the place we all call home. Together, we live out our guiding principle: Give Where You Live, Work, and Play.

Our Partners

Founding Partners

In 1996, The Grand Foundation started with the sale of transferable ski and golf passes. These passes were possible because of generous donations from our four Founding Partners, Winter Park Resort, Ski Granby Ranch, YMCA of the Rockies/Snow Mountain Ranch and the Fraser Valley Metropolitan Recreation District. The vision and dedication of these sponsors continues to make an invaluable impact in our community!
