Give Where You Live, Work & Play

THANK YOU TO OUR FOUNDING PARTNERS

In 1996, The Grand Foundation started with the sale of transferable ski and golf passes. These passes were possible because of generous donations from our four Founding Partners, Winter Park Resort, Ski Granby Ranch, YMCA of the Rockies/Snow Mountain Ranch and the Fraser Valley Metropolitan Recreation District. The vision and dedication of these sponsors continues to make an invaluable impact in our community!

GRAND PASS USAGE GUIDELINES

The registered owner of each Grand Pass is responsible, at all times, for both the distribution of Grand Passes, and any replacement costs. If lost please direct all questions regarding the use of the Grand Pass to the Grand Foundation, NOT our pass contributors.Your involvement in the Grand Pass Program is not a right, it is a privilege extended by our partners. Please respect the rules and regulations for the skier/rider responsibility codes and etiquette.

Misuse of the Grand Pass program will result in immediate revocation of privileges.

LOST PASS PROCEDURE

If your Grand Pass is lost, please report it to Stefanie Feek at the Grand Foundation immediately.

Only the owner or authorized personnel can initiate the "lost pass"procedure. A new pass will be issued and the lost pass will be voided. This process can take up to 48 hours...so do not hesitate calling and starting the lost pass process.

There is a $100.00 fee charged to reissue a replacement Grand Pass if it is lost.

It is in your best interest to inform each user of the safest way to keep the pass secure while it is in their possession. Store the Pass in a zippered jacket pocket.

BROKEN/CRACKED PASSES

If your Grand Pass cracks, breaks, or becomes deactivated you will NOT be charged, as long as you return all the pass pieces to the Grand Foundation. Please call immediately with the pass number of the broken/deactivated pass. We will void that pass and issue a new Grand Pass. This will take up to 48 hours to process. Most passes become "deactivated" because they get bent or cracked due to mishandling.
You will not be charged a replacement fee if the broken/cracked pass is returned.
